

## **IMPORTANT MESSAGE FROM THE DIRECTOR OF ADMISSIONS TO FALL 2008 APPLICANTS**

Your application to Monroe is your first college project.  
Our counselors are here to support and guide you.

Please be advised that the number of applications to  
Monroe College for the Fall 2008 semester is very high this year.

We strongly recommend you do not delay and take a  
window of time now to complete all of your application  
requirements and financial aid paperwork. This will  
ensure you a seat in our Fall 2008 class.
