ON FRIDAY, APRIL 26.**

MONROE COLLEGE

TOGETHER, WE MAKE IT HAPPEN.

INTRODUCING MONROE'S ADULT LEARNER PLAN

Monroe has created a program that is designed to help you earn your degree quickly and affordably. Evening, weekend, virtual, online and hybrid schedules are available to accommodate busy lives and competing responsibilities.

CREDIT FOR PRIOR LEARNING

Adults returning to college after years of life experience may have gained expertise that can translate into credits toward required course work. We work with you to evaluate skills gained outside of the classroom for college credit.

EXPERIENCED AND SUPPORTIVE TRANSFER ADVISORS

Whether you are transferring from another college, or have not been a college student in quite some time, you will find our dedicated Transfer Team will make your transition stress free with a generous up to 90 credit transfer policy.

LIFETIME CAREER SERVICES

Each Monroe College student is assigned a career advisor who provides one-on-one assistance with career decision-making and job search strategies, including access to online job listings.
