MONROE COLLEGE
TOGETHER, WE MAKE IT HAPPEN.

INTRODUCING MONROE'S ADULT LEARNER PLAN

Monroe has created a program that is designed to help you earn your degree quickly and affordably. Evening, weekend, virtual, online and hybrid schedules are available to accommodate busy lives and competing responsibilities. Learn more about our Adult Learner Plan at monroecollege.edu/adults.

CREDIT FOR PRIOR LEARNING

Adults returning to college after years of life experience may have gained expertise that can translate into credits toward required course work. We work with you to evaluate skills gained outside of the classroom for college credit.

LIFETIME CAREER SERVICES

Each Monroe College student is assigned a career advisor who provides one-on-one assistance with career decision-making and job search strategies, including access to online job listings.

FINISH WHAT YOU STARTED

We are committed to giving you the support, tools, and flexibility you need to graduate. Let's make sure that your academic plan is one that can work with your busy life.

Contact one of our advisors so we can welcome you back to the Monroe family this Spring!
