Athletic *Life*

Monroe College's athletics mission emphasizes the development of the total individual; the student as well as the athlete. It is essential that all student-athletes be provided with the direction, assistance, and guidance needed to reach their goals in the academic, athletic and social aspects of college life with a particular commitment to excellence.

The Athletics Department fosters an environment that encourages degree completion, good citizenship, character and personal growth, while developing student-athletes who are positive role models and productive members of society. The Department maintains a strong commitment to the principles of fiscal responsibility, gender equity, diversity, and sporting conduct among its coaches, administrative staff and student-athletes.

Monroe's highly competitive varsity athletic teams and clubs are an important part of campus life. National champions, regional champions and division champions—our athletes have been very successful over the past ten years. Many of these teams can be seen playing in the Monroe Athletic Complex, nicknamed the MAC, located just a few minute walk from our dormitories.

All Monroe teams are members of the National Junior College Athletic Association and participate in NJCAA Region XV.

Life@ MONROE

Since 1933, New York-based Monroe College has provided relevant, real world education to hard working students of every background. As a nationally ranked private institution of higher learning, Monroe offers a real world learning approach that prioritizes hands-on academic experiences, practical and relevant academic programs, and flexible learning schedules. Monroe is committed to ensuring that students are well-positioned for career or higher education success upon graduation.

Real World Education

At Monroe, we focus on individual student success. This means we do not have enormous lecture halls. Instead we have professors that know your name, who will take a vested interest in your academic pursuits and care about your success. All of our professors have extensive industry experience and are at the top of their professions in business, healthcare, criminal justice, education, hospitality and information technology—to name just a few.

Honors Program

Honors courses are available to our most academically accomplished students. In these classes, students are able to engage in advanced academic work and to participate in enhanced intellectual experiences with distinguished professors and guest lecturers. Honors students are also assigned academic advisors for academic and career advisement.

Quality Education at an Affordable Tuition

According to *The U.S. News & World Report*, Monroe College is the most affordable ranked private college in New York State. And, because we offer a three-semester academic calendar, our students are able to graduate and begin a career sooner. In fact, Monroe students have the opportunity to earn a bachelor's degree in just three years.

Academic *Life*

Monroe College offers various programs that meet the needs of a diverse, global student audience by combining theory in the classroom with practice in internships and experiential learning.

Campus *Life*

New York City—A Part of Our Campus

At Monroe, we like to think of New York City as part of our extended campus. Both our New Rochelle and Bronx campuses are just a thirty-minute train ride from Grand Central Terminal in Manhattan, which means that our students are able to take advantage of all the cultural, academic, and professional resources that the Big Apple has to offer.

The Student Activities Office makes sure to take advantage of Monroe's close proximity to New York City with trips to museums, plays, and athletic events—though our campuses have a lot going on in their own right. Each semester, students can enjoy on-campus events like movie night, Welcome BBQs and Ice Cream Socials, a 'Relaxation Zone' during finals or be part of one of our fifty student clubs.

Monroe College Clubs & Organizations

With over 700 student members in over 50 clubs, there is always something to do on campus. Actors, writers, bakers, advocates for change—there's a place for everyone at Monroe. Whatever organization or club you choose to join, you'll find camaraderie and great experiences with others who share your interests.
