

# Bachelor's in Health Services Administration

(BBA)

Monroe's Bachelor of Health Services Administration degree program builds on the strengths of the Associate Medical Administration degree program. The Health Services Administration Program provides students with the comprehensive knowledge and skills necessary to seek entry-level management positions in the health care field. The program offers a concentration in Medical Coding, which enhances marketability.

## Student Testimonials

// I started a 9-to-5 job and quickly realized that it was not the right career for me. I wanted to help people, and Monroe's School of Allied Health allowed me to get my degree without having to take the time off from work. Now I'm doing something that I love. //

Working Professional

// I want to work within the health industry because I want to help change lives. I feel like the education I'm getting at Monroe is truly leading me down that path. I'm learning from experienced professors in wonderful facilities. //

International Student

// When I first started at Monroe, I wasn't sure about the MAP schedule because I wanted summers off. But I was able to graduate before my friends and I still had the entire month of August to spend with my friends and family. //
