

Bachelor's in Business Management

(BBA)

The Business Management program prepares students for management positions in business and in government. In order to allow students to tailor their educational experience, the program offers a variety of minors, including: Legal Studies, Marketing, Finance, Entrepreneurship, Human Resources, Accounting, Forensic Accounting, Sports Management, and Entertainment & Media Management.

The program also provides the analytical, creative, and quantitative expertise required to utilize resources and make sound business decisions. Many students continue on for their Master of Business Administration (MBA) degree.

Student Testimonials

// Monroe's School of Business and Accounting was very accommodating in offering a flexible schedule. I was able to work during the day, take my classes at night and online, and finish my degree in less time than I thought possible. //

Working Professional

// I knew I wanted to study in New York because there are so many opportunities available. I also wanted to get my degree as soon as possible. Monroe offered the advantage of the MAP program and is only 30 minutes from the city. It was a perfect fit. //

International Student

// When I first started at Monroe, I wasn't sure about the MAP schedule because I wanted summers off. But I was able to graduate before my friends and I still had the entire month of August to spend with my friends and family. //
