

Associate in Human Services

(AS)

Monroe's Associate degree in Human Services prepares students for entry level positions in a rewarding field geared toward assisting individuals who are undergoing crisis or chronic situations. This degree develops practitioners who are well-informed, ethical thinkers capable of applying their knowledge to serving others in various aspects of society. Students learn the importance of respect for all people and sensitivity to cultural diversity. Students in the Human Services program receive real-world experience by completing two supervised Practicums, which increases their marketability upon graduation. Graduates are knowledgeable in the principles and techniques required to assist clients cultivate skills to identify, prevent and change behavior so that they can grow personally and achieve independence

Student Testimonials

// I started a 9-to-5 job and quickly realized that it was not the right career for me. I wanted to help people, and Monroe's School of Criminal Justice allowed me to get my degree without having to take the time off work. Now I'm doing something that I love. //

Working Professional

// I want to work within the health industry because I want to help change lives. I feel like the education I'm getting at Monroe is truly leading me down that path. I'm learning from experienced professors in wonderful facilities. //

International Student

// When I first started at Monroe, I wasn't sure about the MAP schedule because I wanted summers off. But I was able to graduate before my friends and I still had the entire month of August to spend with my friends and family. //
